

# Mental health jobs fair

**NHS**  
South West  
Yorkshire Partnership  
NHS Foundation Trust

Would you like to help others on their recovery journey? Could your lived experience enrich and help others? If so, come and find out more about our exciting employment opportunities with mental health services across Barnsley.

We welcome anyone who has experienced challenges with their own mental health events to come and find out more about our variety of posts, both full and part time, working with service users promoting mental health and wellbeing in the community.

We ask that you are compassionate, willing to learn and see potential in yourself and others. No formal qualifications are required as training will be offered.

If you're interested, come along to our face to face drop-in jobs fair or virtual event to learn more about the posts and how we can support you.

## Drop-in jobs fair

The Exchange Recovery College, 33 Gawber Road, Barnsley S75 2AH
